

## ESPERANCE

Thursday 29 September Condingup Tavern 10.30am for 11.00am Start

**Cost** \$ 20 members \$ 50 Non Members

**“Welcome and a short history of perennials and Evergreen”**

**Bob Wilson**

**“The blood, sweat and tears of farming systems change”**

**Tim Wiley**

**“The Carbon Farming Initiative – what’s in it for me?”**

**Tim Wiley**

**“Perennial pastures in WA - we’ve come a long way in a short time, but where to next?”**

**Phil Barrett-Lennard**

Lunch

Travel to Phil Chalmer’s farm

Paddock 1: Sowing cereals into 400 ha of kikuyu for extra winter feed

**“Kikuyu is great but I’m thinking of spraying it out...!”**

**Justin Warren & Theo Oorschott**

Paddock 2: Large scale rotational grazing + kikuyu and yellow serradella

Travel to Phil Cleghorn and Erica Ayers’ farm

Paddock 1: Pasture Cropping - Lupins sown into Kikuyu

**“With sheep and wool prices so high, why bother with cows?”**

**Bob Reed**

Travel to John Wallace’s farm

Paddock 1: Pasture Cropping: Hindmarsh barley sown into Kikuyu, Chicory, Panic and an annual Control (Grain & Graze trial)

**“Is Pasture Cropping just a grazier’s diesel fix or a valid way to improve profitability from perennial pastures?”**

**Phil Barrett-Lennard and Greg Warren**

Paddock 2: Lucerne – a forgotten pasture powerhouse for the Esperance region?

Close and Beers at the Neridup Fire Shed
